Take all three levels

One journey, beginner to job-ready

₹18,000

3 months · best value

What you walk away with

- **Learn by building**
Real projects from week one — never theory alone.
- **Build a portfolio**
Finished work you can put in front of an employer.
- **Use professional tools**
The same software the industry actually runs on.
- **Get job-ready**
Resume help, interview practice and placement support.

TOOLS: Python · Linux

Top performers

Do well, and you could work with us.*

Our strongest learners get invited onto real client projects as interns.

*Internships are merit-based and limited, offered subject to performance and live project availability. Conditions apply.
