5 months · best value

## What you walk away with

- **Learn by building**  
Real projects from week one — never theory alone.
- **Build a portfolio**  
Finished work you can put in front of an employer.
- **Use professional tools**  
The same software the industry actually runs on.
- **Get job-ready**  
Resume help, interview practice and placement support.

TOOLS: Excel

Top performers

**Do well, and you could work with us.\***

Our strongest learners get invited onto real client projects as interns.

\*Internships are merit-based and limited, offered subject to performance and live project availability. Conditions apply.
