 - Creating Interactive Buttons
 - Adding custom google map over the venue
- **16. Prepress, Printing & Exporting** 4 lessons
 - Preflight Check & Fixing Errors
 - Packaging Files (Fonts, Images, Assets)
 - Print Export Settings (PDFX Standards)
 - Exporting for Web & Social Media
- **17. Collaboration & Workflow** 4 lessons
 - Adobe Integration & Applications
 - Import and Export from Other Softwares
 - Versioning & File Management Best Practices
 - Course Completion

Certificates & what comes next

You receive a certificate at the end of every level you finish. Join for a single level or the full programme — the choice is yours. Learners who stand out may be invited to work on live client projects as interns; these places are merit-based, limited, and depend on projects being available.
